Choose an OBA Event

OBA Senior Management Forum

April 5-7, 2020 - Bellagio Hotel, Las Vegas, Nevada

The leadership conference attracts approximately 75+ bank leaders from across the state. This annual event offers a nice mix of educational sessions along with social and networking activities. Sessions should be of an informational/educational nature. All sessions are general sessions.

OBA Annual Convention

May 18-20, 2020 - Doubletree Hotel, Warren Place - Tulsa, OK

The convention serves as the annual meeting for the Association and we traditionally have approximately 200+ attendees. Our target audience for the convention is the bank CEO and President, with many of our members also bringing other members of senior management and bank directors to the event. In addition, we expect to draw several "emerging leaders". This year's event will encompass both general and breakout sessions.
