

## **Oklahoma Bankers 2020 Hall of Fame Award Overview and Process for Nomination**

The Oklahoma Bankers Hall of Fame has been created by the OBA's Board of Directors to honor individual bankers for their contributions to the banking industry and the State of Oklahoma. In addition, the Hall of Fame is intended to recognize bankers' achievements on behalf of the Association's member banks.

Bankers make a difference in their communities every day. To rise to the level required for induction into the Hall of Fame, the Nominating Committee will examine whether the individual banker has made a difference beyond their local community. The Hall of Fame will also preserve the unique history of Oklahoma's banking greats.

The following criteria will be considered by the Nominating Committee when selecting individuals to be nominated for selection to the Hall of Fame:

- Affiliation (past or present) with an Association member bank;
- Service on boards or committees of the Association;
- Participation in the activities of banker trade associations at the national level, such as American Bankers Association and Independent Community Bankers of America;
- Contributions to the development, improvement and growth of the banking industry in Oklahoma;
- Whether the individual has had a significant impact on the manner in which financial services are provided to consumers;
- The individual has demonstrated the importance of community involvement and participation in the work of various community groups at the local, state and national levels; and
- The number of years of service to the State and the industry.

The Nominating Committee shall consist of:

- Current members of the Executive Committee of the Association's Board of Directors;
- Three individuals to be selected by the Executive Committee each year who have previously served as the President or Chairman of the Association;
- Two current members of the Hall of Fame selected by the OBA's Executive Committee; and
- The President & CEO of the Association who shall be a non-voting member of the committee.
