More about the program:

On the date that you select, there will be a short briefing before we start walking the halls of the Capitol. Please know, we will stay together as a group the entire morning. We will do our best to have you spend a few minutes with both your state senator and state representative to either start a new relationship or strengthen one that is already in place. We won't ask that you discuss current legislation, we want you to just chat with your member about issues that may affect your community or other pressing matters. Depending on what week you select we will either sit in on a committee meeting or in the gallery to watch the action on the floor. Once we have finished all of our business at the Capitol, the OBA Government Relations Team will take everyone to lunch to discuss the events of the morning.

Everyone at the Capitol knows that the bankers are involved in the political process and that they are watching how they vote. All of that success is because of the Contact Banker Program. This program is meant for all employees at the bank. **There is no cost to attend other than your time.** Should you have any questions please don't hesitate to contact Megan McGuire (megan@oba.com / 405-424-5252).
