Schedule

Saturday, Sept. 19

Time TBD

Optional: OBA Sports Night
Informal gathering to watch college football.

One of the most impactful OBA events is the annual visit to Washington D.C. We will meet with all the regulatory agencies to discuss issues and ideas of regulatory reform that can be obtained without legislative action. In addition, we will have the opportunity to meet with our legislators. We urge all banks to send an executive officer and an emerging leader to this event. We must remain vigilant in our efforts to advocate for our industry and must prepare the next generation of leaders.

We hope to see you in Washington because, the more bankers, the greater the impact in D.C.

There's Strength in Numbers.
